# Yeshiva Gedola Ohr Yisrael... A Bastion of Torah

Yeshiva Gedola Ohr Yisrael stands as a citadel of Torah learning, providing its students with a warm, inspiring, and stimulating environment. The Yeshiva is a center of Torah scholarship that fosters a close relationship between Rebbe and talmid to allow each student to grow to his fullest potential. The Yeshiva boasts a staff of dedicated rebbeim, high-level shiurim, a dynamic Kollel, and full dormitory facilities.

Our vibrant Kollel interacts with the bochurim in all aspects of the Yeshiva, whether learning b'chavrusa, mussar seder, or a Shabbos seuda. Our outstanding rebbeim are always available to discuss and guide the bochurim on issues of hashkafa and managing life's challenges.

Be it for a seudas shabbos, an oneg shabbos, or just a late-night shmooze, the rebbeim's homes are always open to the bochurim.

The Yeshiva's alumni view the Bais Medrash as their "home away from home", and many remain in the Marine Park community and maintain their ties with the Yeshiva.

The exceptional Torah experience that is Yeshiva Gedola Ohr Yisrael cannot easily be duplicated and the bonds that are formed within its walls last a lifetime.

## Smicha Program

The Yeshiva has successfully introduced a smicha program, under the mentorship of Rabbi Yehuda Horowitz, a musmach of Yeshivas Ner Israel, Baltimore. The intensive two-year course prepares the student for Rabbinic ordination and a career in the rabbinate.

Yeshiva Gedola Ohr Yisrael of Marine Park presents exclusive education opportunities.

**MBA PROGRAM:**

Yeshiva Gedola Ohr Yisrael in conjunction with Seton Hall University offers a unique and trailblazing MBA program. Using two-way videoconferencing technology, the Yeshiva offers its students the opportunity to earn a Masters degree from a prestigious university. This state-of-the-art setup eliminates travel time and allows classes to be held in the pristine Yeshiva setting. Most importantly, it permits serious students of Torah to extend their full time Torah study while pursuing a career path. By attending classes two nights a week, and successfully completing the courses, the student will, in just two years including summers, be granted an MBA from Seton Hall University.

**MS IN EDUCATION PROGRAM:**

The Yeshiva is proud to offer its Talmidim the opportunity to acquire a Masters degree in education from one of the largest nationally recognized universities. This degree will enable yungeleit and bochurim to pursue a career in chinuch and/or education.

- Use your B.T.L or B.A. for entry into these programs.
- Convenient location adjacent to Yeshiva.
- Acquire your degree in under two years.
- Degrees with highest levels of accreditation.

**These exclusive programs are offered through the Yeshiva to enable its Talmidim to learn full time, while acquiring a valuable degree in under two years, in a comfortable and appropriate setting.**

Molding today's talmidim into well-rounded Bnei Torah to meet the challenges of tomorrow's world.
